Tumor of Twelve Years' Growth Cured by Radway's Resolvent. BEVERLY, MASS., July 18, 1869.

DR. RADWAY—I have had Ovarian Tumer in the ovaries and bowels. All the doctors said "there was no help for it." I tried everything that was recommended, but nothing helped me. I saw your Resolvent, and thought I would try it, but had no faith init because I had suffered for twelve years. I took six bottles of the Resolvent, one bex of Radways Pills and used two bottles of your Ready Relief; and there is not a sign of a Tumor to be seen or felt, and I feel better, smarter and happier than I have for twelve years. The worst Tumor was in the left side of the bowels, over the groin. I write this to you for the benefit of others. You can publish it if you choose.
